## Responsive Reading

Leader: Children are God’s most sacred surprise, a light in the eyes, a lift to the heart, a storyline’s continuation.

**People: Thank you, God, for children; bless them, every one.**

Leader: Children mirror mystery. Children are God’s preferred way of being, preferred way of seeing the world and all its people.

**People: Teach us, God, through children; bless them, every one.**

Leader: Our children are not our children. They are given to us and pass through us into worlds of their own making, into the risks of their own taking, into futures we will not know.

**People: Help us, God, to let our children go; bless them, every one.**

Leader: When children feel they are included, a little hope gleams on all horizons, a new dream dances in our generation, and seeds are

sown for a new creation.

**People: Help us, God, to grow through our children; bless them, every one.**

Leader: All of us are children: children of God, children of children, children whose children are children of children. Let us be reconciled to the child within, so that love can live on beyond us forever.

**People: We praise you, God, and we thank you in the name of our children. Bless them everyone.**
