

Hapeville First Baptist Church

CHILD/YOUTH PROTECTION POLICY

General Purpose Statement

Hapeville First Baptist Church (HFBC) seeks to provide a safe and secure environment for the children and youth who participate in our programs and activities. By implementing the below practices, our goal is to protect the children and youth of HFBC from incidents of misconduct or inappropriate behavior while also protecting our staff and volunteers from false accusations.

Definitions

For purposes of this policy, the terms “child” or “children” include all persons under the age of eighteen (18) years.

Selection of Workers

All employees and all persons who desire to work with the children participating in our programs and activities will be screened. This screening includes the following:

1. **Six Month Rule**

No volunteer will be considered for any position involving contact with minors until s/he has been involved with Hapeville First Baptist Church for a minimum of six (6) months. This time of interaction between our leadership and the applicant allows for better evaluation and suitability of the applicant for working with children.

2. **Written Application**

All persons seeking to work with children must complete and sign a written application in a form to be supplied by us. The application will request basic information from the applicant and will inquire into previous experience with children, previous church affiliation, reference and employment information, as well as disclosure of any previous criminal convictions. The application form will be maintained in confidence on file at the church.

3. **Personal Interview**

Upon completion of the application, a face-to-face interview may be scheduled with the applicant to discuss his/her suitability for the position.

4. **Reference Checks**

Before an applicant is permitted to work with children, at least two of the applicants' references will be checked. These references should be of an institutional nature as opposed to personal or family references, preferably from organizations where the applicant has worked with children in the past. Documentation of the reference checks will be maintained in confidence on file at church.

5. **Criminal Background Check**

Each prospective volunteer will give written consent for a criminal background check, conducted by the company or agency Hapeville First Baptist Church selects. The form of authorization will be that prescribed by the company or agency selected. The church will employ no volunteer without this authorization. Upon receiving the requested information and performing the actual background checks, the church will destroy the information within 10 working days for the privacy protection of the volunteer.

6. **Existing Workers**

Hapeville First Baptist Church reserves the right to waive this process for workers who have been in place in this church for an extended period of time prior to the adoption of these policies.

7. Grounds for Disqualification

The following offenses are grounds for disqualification regardless of any extenuating circumstances:

- a. Crimes against the family, sex related offenses, child related offenses, murder, felony theft/robbery/burglary offenses, fraud related offenses and crimes against persons and property.
- b. A felony or misdemeanor classified as an offense against public order or indecency.
- c. A felony violation of any law intended to control the possession or distribution of any controlled substances.
- d. All other offenses, not otherwise described above, may result in disqualification at the discretion of an agent of the church.

Two Adult Rule

It is our goal that a minimum of two unrelated adult workers will be in attendance at all times when children are being supervised during our programs and activities. Some youth classes may have only one adult teacher in attendance during the class session; in these instances, doors to the classroom should remain open and there should be no fewer than three students with the adult teacher. We do not allow minors to be alone with one adult on our premises or in any sponsored activity unless in a counseling situation.

Responding to Allegations of Child Abuse

For purposes of this policy, “child abuse” is any action (or lack of action) which endangers or harms a child’s physical, psychological or emotional health and development. Child abuse occurs in different ways and includes the following:

- **Physical abuse** – any physical injury to a child which is not accidental, such as beating, shaking, burns, and biting.
- **Emotional abuse** – emotional injury when the child is not nurtured or provided with love and security, such as an environment of constant criticism, belittling and persistent teasing.
- **Sexual abuse** – any sexual activity between a child and an adult or between a child and another child at least four years older than the victim, including activities such as fondling, exhibitionism, intercourse, incest, and pornography.
- **Neglect** – depriving a child of their essential needs, such as adequate food, water, shelter, and medical care.

Childcare workers may have the opportunity to become aware of abuse or neglect of the children under our care. In the event that an individual involved in the care of children at this church becomes aware of suspected abuse or neglect of a child under his/her care, this should be reported immediately to a church staff member for further action including reporting to authorities as may be mandated by state law.

In the event that an incident of abuse or neglect is alleged to have occurred at this church or during our sponsored programs or activities, the following procedure shall be followed:

1. The parent or guardian of the child will be notified.
2. The worker alleged to be the perpetrator of the abuse or misconduct will immediately be placed on leave from working with children pending an investigation.
3. Our insurance company will be notified, and we will complete an incident report.
4. We will comply with the state’s requirements regarding mandatory reporting of abuse as the law then exists.

5. We will cooperate with any investigation of the incident by state or local authorities. In the event there is no investigation of the incident by state or local authorities, a team will be formed to investigate the circumstances of the incident. The team should act only in consultation with our insurance company and/or attorney.
6. Any person who is not found innocent of the alleged abuse or misconduct will be removed from their position with children or youth.
7. A church staff member will be our spokesperson to the media concerning incidents of abuse or neglect, unless he or she is alleged to be involved. All other workers should refrain from speaking to the media.
8. A pastoral visit will be arranged for those who desire it.

Open Door Policy

Classroom doors should remain open unless there is a window in the door or a side window beside it. Doors should never be locked while persons are inside the room.

Teenage Workers

We recognize that there may be times when it is necessary or desirable for babysitters (paid or volunteer) who are themselves under age 18 to assist in caring for children during programs or activities. The following guidelines apply to such workers:

- Teenage workers must be at least age 14
- Teenage workers will be screened as specified above.
- Teenage workers must be under the supervision of an adult (at least age 21) and must never be left alone with children.

Sick Child Policy

It is our desire to provide a healthy and safe environment for all of the children at Hapeville First Baptist Church. Parents are encouraged to be considerate of other children when deciding whether to place a child under our care. In general, children with the following symptoms should NOT be dropped off:

- Fever, diarrhea, or vomiting within the last 48 hours
- Green or yellow runny nose
- Eye or skin infections
- Other symptoms of communicable or infectious disease

Children who are observed by our workers to be ill will be separated from other children and the parent or guardian will be contacted to request that the child be picked up.

Medications Policy

It is the policy of Hapeville First Baptist Church not to administer either prescription or non-prescription medications to the children under our care. Medications should be administered by a parent at home. Parents are reminded of our sick child policy.

Exceptions to the medications policy may be granted to parents of children with potentially life-threatening conditions (such as asthma or severe allergic reactions). Parents of such children should address their situation with a church staff member to develop a plan of action.

Discipline Policy

It is the policy of Hapeville First Baptist Church not to administer corporal punishment, even if parents have suggested or given permission for it. There should be no spanking, grabbing, hitting, or other physical discipline of children. Workers should consult with a church staff member if assistance is needed with disciplinary issues.

Restroom Guidelines

Children five years of age and younger should utilize a classroom bathroom, if one is available. If a classroom bathroom is not available, workers should escort a group of children to the hallway bathroom. They should always go in a group, never taking a child to the bathroom alone. The workers should check the bathroom first to make sure that it is empty, then allow the children inside. The workers should then remain outside the bathroom door and escort the children back to the classroom. If a child is taking longer than seems necessary, the worker should open the bathroom door and call the child's name. If a child requires assistance, the workers should prop open the bathroom door and leave the stall door open as he/she assists the child.

For children over the age of five, at least one adult male should take boys to the restroom and at least one adult female should take girls. The worker should check the bathroom first to make sure that the bathroom is empty, then allow the children inside. The worker should then remain outside the bathroom door and escort the children back to the classroom.

For the protection of all, workers should *never* be alone with a child in a bathroom with the door closed and never be in a closed bathroom stall with a child. Parents are strongly encouraged to have their children visit the bathroom prior to each class.

Accidental Injuries to Children

In the event that a child or youth is injured while under our care, the following steps should be followed:

1. For minor injuries, scrapes, and bruises, workers will provide First Aid (Band-Aids, etc.) as appropriate and will notify the child's parent or guardian of the injury at the time the child is picked up from our care.
2. For injuries requiring medical treatment beyond simple First Aid, the parent and/or guardian will immediately be summoned in addition to the worker's supervisor. If warranted by circumstances, an ambulance will be called.
3. Once the child has received appropriate medical attention, an incident report will be completed in the case of injuries requiring treatment by a medical professional.

Training

Hapeville First Baptist Church will provide training on this child protection policy to all new childcare workers and will strive to provide opportunities for additional training classes or events on an annual basis. All workers are strongly encouraged to attend these training events.
