*Notes from Tom*

The work is scheduled to begin!!!!!!! Workers from Capital City Mechanical Services plan to begin work on installing the new heating and air conditioning units in the Fellowship Hall and in the second-floor classrooms Tuesday, February 19. Once started, the work should be completed in about two weeks, and the work will be taking place in both areas of the building simultaneously. As of this writing, we are still about \$3,200 short of having funds on hand to completely pay for the work. If you would like to contribute to the remaining cost, please mark "Heating/AC" or "Building Fund" on the outside of your envelope.

Please remember that February is our month to lead worship at Baptist Towers each Thursday evening. If you would be interested in leading one evening, please call the church office and let us know. If you would like to attend one evening, please feel free to drop in on Thursday evening at 7:00 p.m.

Please remember our friends at the First Baptist Church of East Point in your prayers. Most of you have heard of the death of their pastor, Rev. Charles Worthy. We want to pray for them in their loss and mourning, and we want to pray for strength and guidance as they begin the process of searching for their next pastor.
